Washington, DC - Congressman Bruce Braley (D-Iowa) announced today a \$75,000 grant from the United States Department of Agriculture (USDA) for Volga's City Fire Department. The funds will be used to purchase a new fire truck and protective gear for fire fighters.

"This grant is critical to keeping Volga's families and fire fighters safe," Braley said. "These fire fighters have generously and bravely committed their time to keeping their community safe. This money will provide them with safety gear and equipment necessary to continue to do their job and protect families in Iowa."

This grant is part of the USDA Rural Development's Community Facility Grant program.
